FEDERAL ELECTION
COMMISSION

2012 APR 23 PM 2:18

OFFICE OF GENERAL
COUNSEL

Dear FEC,

I am hereby filing this complaint against the following parties for violation of federal election laws:

- Jeff Ward
- Keith Hutcheson
- Barry McHugh
- Todd Tondée
- Dan Green
- Strategery, Inc.
- Reagan Republicans of Kootenai County

MUR # 6557

All of the above parties are from Post Falls, Idaho.

These parties are working together and have combined a federal candidate with state candidates in their endorsement announcement. They have spent in excess of \$1,000 for a federal candidate without filing with the FEC. I believe their conduct gives an unfair and illegal advantage to those parties that obey the law.

Attached is a copy of their "endorsement" document.

Thank you for your attention regarding this matter.

Sincerely,

Thomas P. Hanley

Signed and sworn to before me before me, the undersigned Notary in and for the State of Idaho on this the 15th day of April, 2012.

The Reagan Republicans are reminding you to vote by mail or at the polls on or before Primary Election Day May 15!

What's at Stake?

The election of 2012 will be one of the most important of our lifetimes. The May 15 Primary will determine who will carry the banner for the Republican Party in the November General Election. It is very important that we vote to nominate the strongest conservative Republican candidates to take on the Democrats in the fall. To fight against Obamacare, fiscal irresponsibility, liberal social policies, federal intrusion into our lives and the wholesale attack on our economic freedom and security, we must field a strong slate of conservative, ethical and competent candidates. Since 2009 the Kootenai County Reagan Republicans have been fighting to uphold President Ronald Reagan's timeless principles and helping to elect conservative candidates in Idaho. We need your help.
